Dear Mr. Levin:

In reference to our telephone conversation today, I would like to give you additional information concerning our request for an Advisory Opinion regarding the sub-lease of office space by Congressman Mike Parker's campaign committee.

All campaign materials are now being stored in the office upstairs. The storeroom downstairs will no longer be used for any campaign purposes. Electricity is the only utility furnished to the downstairs storeroom. There is only one fluorescent light in that room.

If you have any other questions, please let me know.

Sincerely,

Liz Herring
